2. Flow from Application to Enrollment

Application

If any falsehoods are found in the entries in the application form or documents, the application itself will be invalid.

Confirmation of required documents

- We will check the submitted documents and clarify any unknown points by phone or other means.
- Depending on your child's situation, we may ask for a medical certificate stating that he/she is suitable for group childcare. We may provide the facility or business provider enrollment in which is provisionally decided with the entered items.

Document examination/screening *Performed by the admissions officer at the Nursery School Eligibility and Coordination Division

- Determine a screening index (the sum of the use standard and the adjustment standard indices) based on the application documents, and provisionally select applicants with a higher index, which indicates a high need for childcare.
- Applicants with the same index will be selected in accordance with the "Prioritization of Households with the Same Index"

- Regardless of the screening result, a benefit certificate will be issued by the admissions officer.
- If your submitted documents are incomplete, the certificate will not be issued.

Provisional enrollment decision

- Those who have been provisionally approved for enrollment will be contacted by telephone by the nursery schools late in the month preceding the enrollment month.
- Inquiries about screening results will be answered from the date of results announcement on the City's website [page no.: 187005].

If you fail to receive a provisional enrollment decision

- We will screen applicants every month during the application period. If you do not need to be selected, please be sure to submit an "Application Change/Withdrawal Notification."
- We will send you a "Notice of Non-acceptance (Transfer)" only for the first month in which you wish to enroll your child. (For those who failed admission in the April screening, a "Notice of Nonacceptance (Transfer)" will be sent even if it is not the desired month of enrollment.)
- If the submitted documents are incomplete or have missing entries, your notice will not be issued.

Interview/health checkup

- After you receive a provisional enrollment decision, we will conduct interviews and health checks at nursery schools, etc., to see if your child is suitable for group childcare.
- If you are unable to have an interview or health checkup by the last day of the month preceding the month of enrollment or as a result of the interview and health checkup, your provisional enrollment decision may be canceled.

If you decline a provisional enrollment decision

- <u>Please contact the following in advance</u> and submit an "Application Change/Withdrawal Notification" as soon as possible.
- In this case, the "Notice of Non-acceptance (Transfer)" will not be issued.
 - [Point of contact] - Admissions officer, Nursery School Eligibility and
 - Coordination Division, Tel: 5432-1200
 - Nursery schools for which you have received a provisional enrollment decision.

Enrollment decision

- If your child is deemed suitable for group childcare, the decision will be made to enroll your child.
- Your child cannot be enrolled in multiple facilities, such as authorized nursery schools, non-authorized nursery schools, kindergartens, etc. in the same month (double enrollment). If your child is using another childcare facility, be sure to have him/her leave by the end of the month preceding the month of enrollment to an authorized nursery school.
- We will inform you of the use period and nursery fee based on the enrollment consent form.

Enrollment

- Enrollment is on the 1st of each month.
 An enrollment or transfer in the middle of the
- An enrollment or transfer in the middle of the month is not possible.

Please be careful!

- We screen enrollment applicants on the premise that their situation at the time of application will continue. If the same situation does not continue from application to graduation, enrollment may be canceled (or your child is expelled).
- You cannot decline a provisional decision of transfer and return to the nursery school your child is currently attending. Continuation is approved, however, when there is a vacancy at the current nursery school.
