Working in Japan:

What You Need to Know Before Getting a Job

Friday, 28 November 2025 2:00 PM - 4:00 PM

Pre-register

Contents

This seminar provides essential knowledge for international students, those already working at Japanese companies, and job seekers about the job-hunting process in Japan—from applying for positions to receiving job offers and joining a company.
Understand the recruitment system—job hunting, receiving job offers, and joining a company—and learn key points such as the legal knowledge required to work in Japan.

Seminar & Consultation

2:00 p.m. – 3:00 p.m. Basic seminar for foreign residents (workers and job seekers)

【Part 1】Working in Japan: What You Need to Know Before Getting a Job

【Part 2】Frequently asked Labour management cases

【Q&A Session】

3:00 p.m. - 4:00 p.m. Individual consultation

※A reservation must be made before in order to consultation(first four arrivals)

※The seminar will be conducted in English.

The Q&A and consultation sessions, we can accommodate Japanese and other languages as well.

<Speaker>

Kaoru Kurata
