

FY 2019 – FY 2023

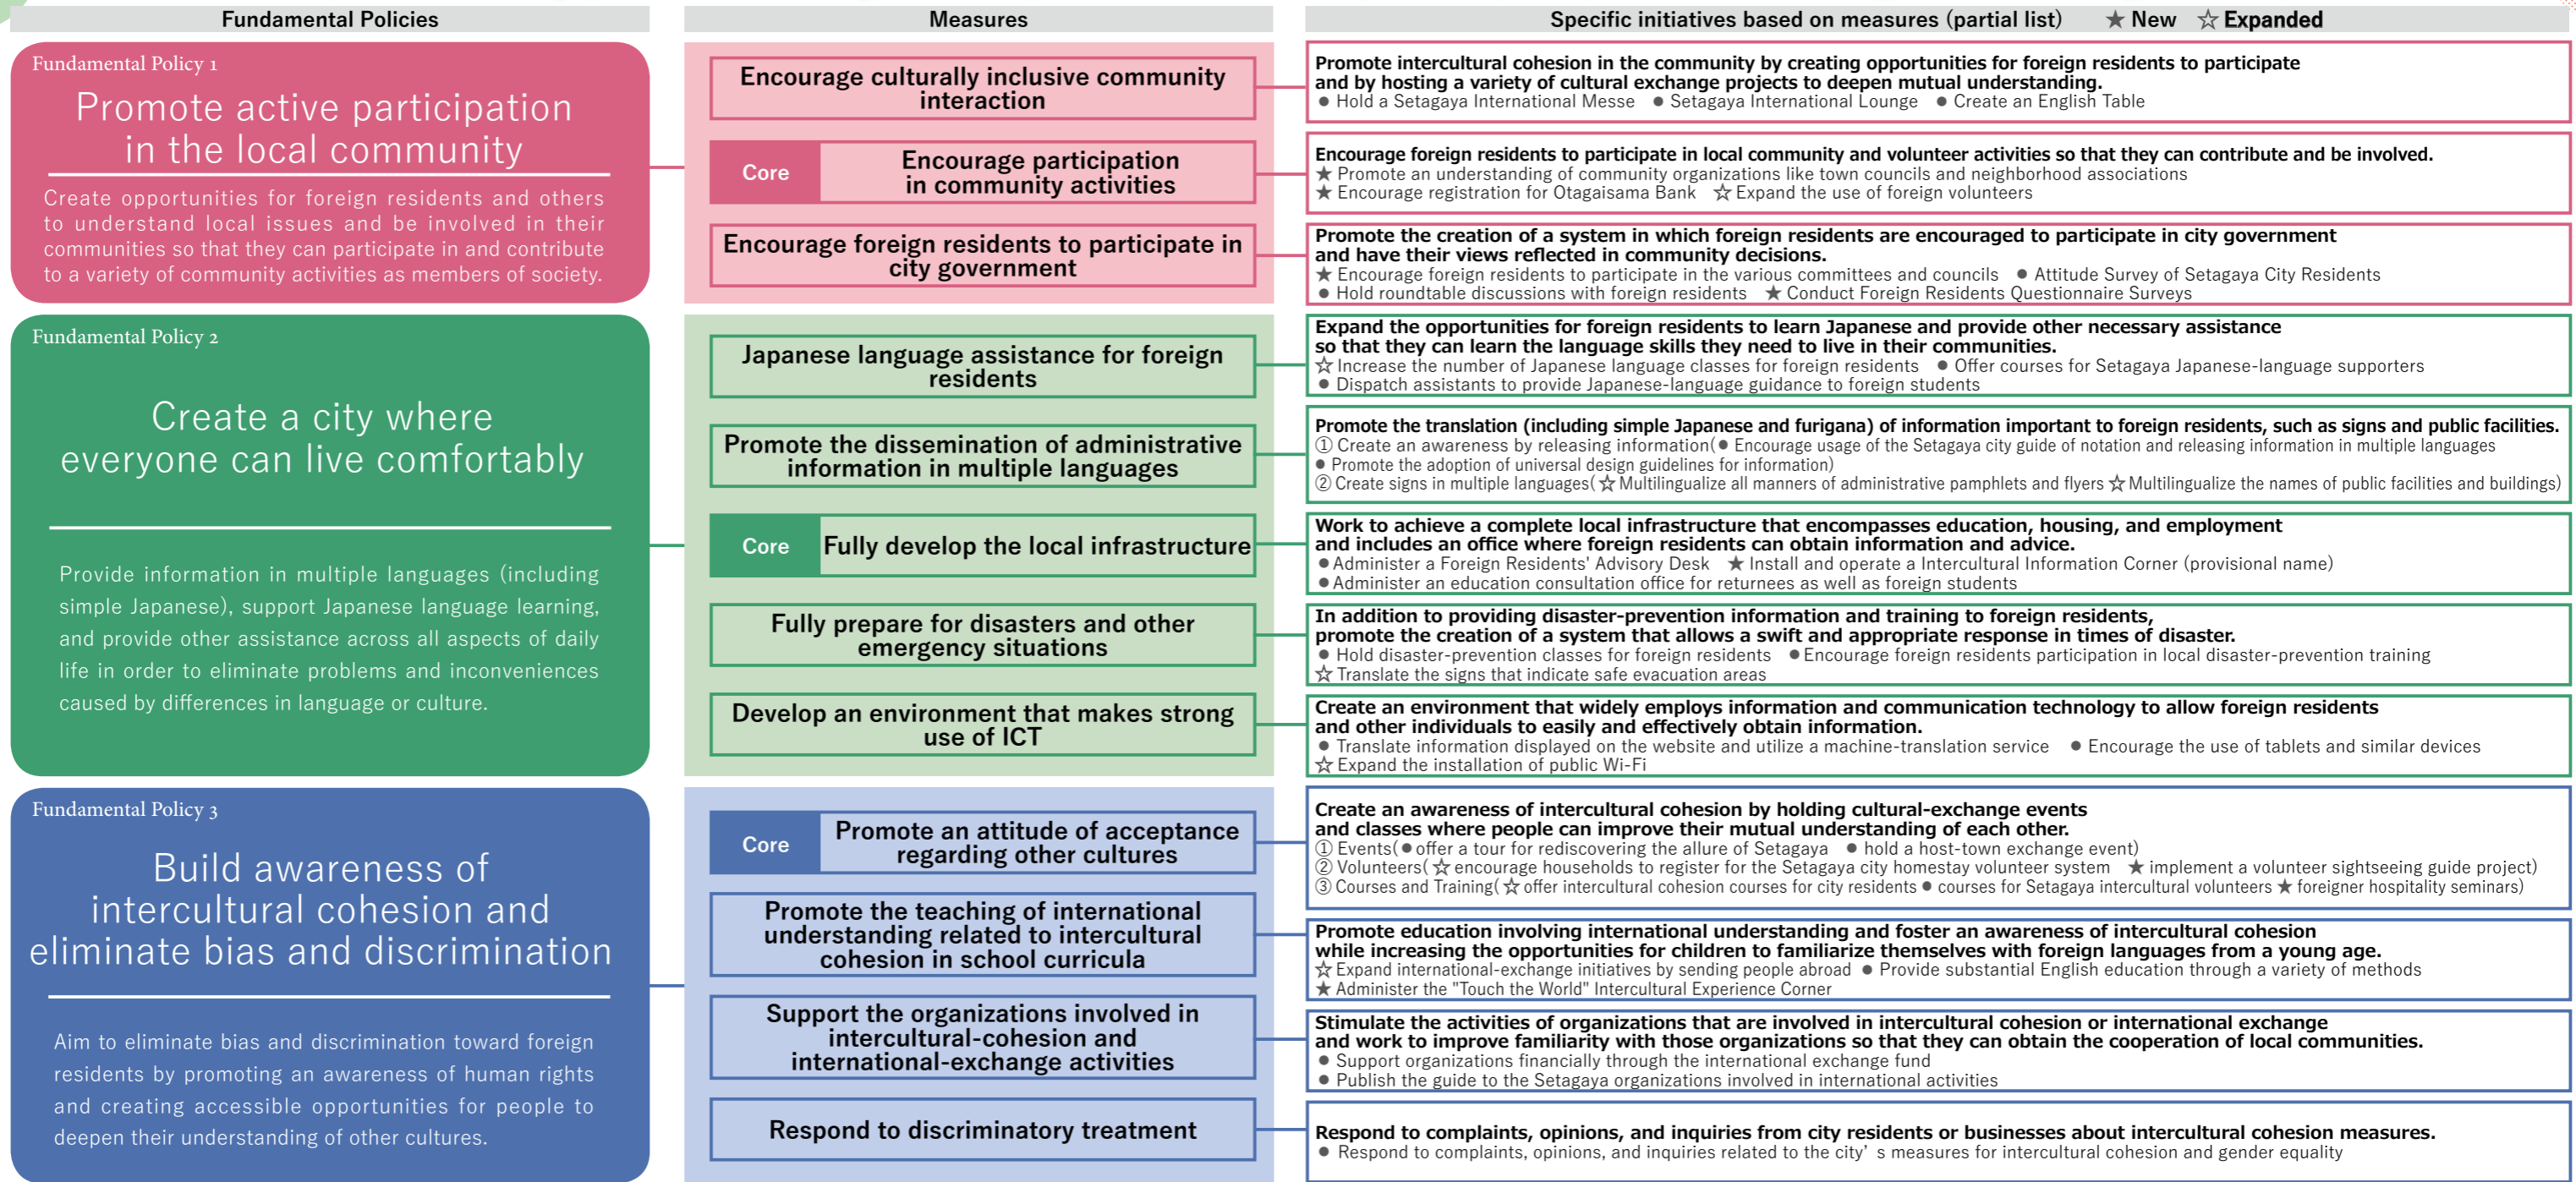

Setagaya City Intercultural Cohesion Plan Summary

Projects implemented in accordance with this plan are reviewed annually to determine their progress. Those results are verified by the Committee for Promoting Internationalization then reported to the Gender Equality and Intercultural Cohesion Commission so that necessary changes can be made based on societal changes as well as local and national trends.

March 2019

City of Setagaya

A intercultural cohesive Setagaya where human rights are respected and where everyone can participate and succeed together while living safe and peaceful lives

*Intercultural cohesion is when all people accept the cultural differences between themselves and people of other nationalities and ethnicities and are able to live together while building relationships based on equality (article 2.2 of the Ordinance to Promote Gender Equality and Intercultural Cohesion for a Diverse Setagaya).
